These Rules and Regulations are promulgated under the authority of Chapters 31-2 and 42-35 of the General Laws of Rhode Island, as amended, and are established for the purpose of describing the practices and procedures of the Division of Motor Vehicles, a division of the Rhode Island Department of Revenue. First, all references to the Department of Administration have been changed to reflect the placement of the Division of Motor Vehicles within the newly-created Department of Revenue. Likewise, references to the Division of Taxation found in sections of the rules addressing child support have been changed to Department of Human Services. Substantively, changes have been made to the social security card requirement. Specifically, regulations were changed so that those individuals renewing licenses will only be required to provide a documentary proof of social security number if the social security number is not already on file with the Division of Motor Vehicles. The requirement that new applicants provide documentary proof of their social security number has been relaxed to allow for additional types of documents as proof of social security number.
