Obtaining Evidence of Your Filing

Certificates authenticating your filing are electronically generated and available once the document has been fully processed and verified by this office. You can retrieve evidence of the filing, including a certificate of authentication, as soon as we have processed and verified the document, usually within one business day. Just follow these easy instructions:

- Log onto www.sos.ri.gov/business and click on “Search - Corporate Database”.
- Enter the name or Id number of your Entity and click on “Search”
- Click on the link to your Entity record
- Scroll down, select “All Filings” and click on “View Filing”
- Identify desired “Type of Filing” and click on “pdf” under “File(s)” to view record
