## NAICS stand for North American Industry Classification System

NAICS codes are used to accurately categorize business and non-profit activity in Rhode Island. A complete and valid NAICS code contains six digits and provides the most classification detail.

### Why do we use six-digit NAICS codes?

- › Accurately categorize your business
- › Provide insight to economic trends and the types of businesses in R.I.
- › Collect, analyze, and publish statistical data related to the R.I. economy
- › Assist policy and resource agencies to identify and contact businesses within a specific industry
- › Provide businesses with tools to quickly and accurately conduct research on specific industries

### How can NAICS codes help RI's businesses?

#### **Accurately reported NAICS codes can help businesses to:**

- › Identify the types of business conducted in R.I.
- › Analyze and review statistical data related to the R.I. economy
- › Quickly and accurately conduct research on a specific industry
- › Make informed business decisions based on accurate statistical data

### We need your help!

**Be accurate! It is important to select the six-digit NAICS code that best represents the primary type of business or activity for your entity. If you don't find your business activity on our list, check the [NAICS code website](#).**
